COMPANY: Horse & Dragon Brewing Company
LOCATION: Fort Collins, Colorado
TITLE: Brewer
REPORTS TO: Jeff Zdunek (Head Brewer) and Luke Margheim (Director of Operations)

Horse & Dragon Brewing Company is a 15-barrel production brewery located on the Front Range of the Rocky Mountains. We strive to produce high quality, great tasting craft beers and be an active participant in the vibrant community that exists in Fort Collins and throughout Colorado. As with our beers, we work to achieve balance in work, life and community. **We seek a passionate, hardworking brewer** to join our team.

RESPONSIBILITIES:
The Brewer position will proactively support the operation by contributing to the brewing, transfer and packaging of our wonderful craft beers in addition to cleaning and maintaining equipment involved in beer production processes following established procedures. Making great beers sustainably and keeping the brewery operating in a clean and safe environment are our key goals. Specific responsibilities include but are not limited to:

- Cleaning and sanitization of all beer contact surfaces and equipment.
- General production area and warehouse cleaning.
- Operating equipment safely and following all workplace safety procedures.
- Operating grain handling equipment, malt handling, and milling.
- Operating brewhouse equipment to produce wort and perform wort transfers.
- Yeast pitching and harvesting.
- Fermentation and conditioning monitoring.
- Beer cellaring operations.
- Preparation of beer for packaging.
- Packaging of beer in kegs, cans and bottles.
- Monitoring of essential facility equipment (boiler, air compressor, etc.).
- Performing minor maintenance tasks on production equipment.
- Safe forklift operation as required.
- Troubleshooting equipment problems.
- Providing a clean and safe environment for brewery tourists.
- Complying with all company policies.
- Assisting in any other business related needs.

QUALIFICATIONS:

- Must be 21 years of age or older.
- 2 years' experience in a production brewing facility highly preferred.
- Thorough understanding of brewing, cellaring, cleaning, and packaging processes highly preferred.

ABILITIES AND SKILLS:
Physically and mentally able to handle the rigors of working in a production brewery:

- Able to lift 75 lbs frequently and move 165 lbs occasionally.
- Able to work on your feet for 8-12 hours per day.
- Shift work and non-traditional work hours/work week required; usual schedule is M-F, 8 hours per day but this may vary.
- Ability to work in loud, wet, slippery, hot, and cold environments.
- Capable of working on ladders 10+ feet above floor level.
- Strong work ethic and dedication to the beer.
- Attention to detail and ability to propose and implement process improvement.
- Passionate desire to continue learning about brewing theory and technology.
- Good time management and task scheduling skills.

- Ability to be self-directed and work effectively on your own, as well as in a team setting.
- Capable of managing multiple processes at one time.
- Work ethically and with integrity .

POSITION DETAILS:
- This is a full-time hourly position.
- Compensation range: $18-21/hour depending on experience.
- Benefits include paid vacation, paid company holidays and Simple IRA retirement plan eligibility in third calendar year of employment.

TO APPLY:
Please send your résumé detailing work experience and explaining your interest in craft beer and/or Horse & Dragon to Luke Margheim (DOO) and Tatum Cochran (GM) (LukeM@hdbrew.com and Tatum@hdbrew.com) with "Brewer Applicant October 2026" as the subject line. Applications will be accepted until position is filled.

Horse & Dragon Brewing Company is an equal opportunity employer.
